

## Core Values

We consider the following to be basic, but scripture-based, business practices. They are part of what we believe it means to honor God in our business.

We will...

1. Reflect Christ in our business practices (Proverbs 3:32);
2. Be accountable to each other and our spouses (Proverbs 27:17, Genesis 2:24)
3. Provide a quality service at a reasonable price (2 Kings 12:15);
4. Treat our employees fairly (Colossians 4:1); and
5. Treat our clients fairly (Deuteronomy 25:13-16).

If we do these things, everything else will fall into place.
